PETITION FOR RULE MAKING

Texarkana Broadcasting, Incorporated (TBI), by its attorney, hereby requested the amendment of Section 73.202(b) of the Commission's Rules to add Channel 277A as a first local service to Wright City, Oklahoma. In support hereof, the following is shown:

1. Attached as Exhibit 1 is a channel separation study showing that Channel 277A can be allotted to Wright City consistent with the Commission's distance separation requirements from the proponents preferred site, 9.7 kilometers east of the community.

2. From the proponents preferred site the station could provide the entire community of license with both line of sight coverage and 70 dBu service.

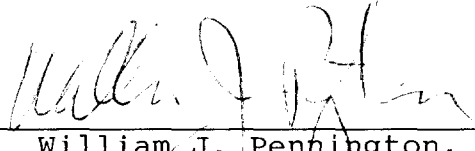

3. Wright City is an incorporated community in McCurtain County, Oklahoma. Wright City had a 1990 population of 836 persons.

4. If the Commission allots Channel 277A (103.3 MHz.) to Wright City, TBI will tender for filing an application seeking authority to construct the facility, and if granted the construction permit, will immediately build the station.

Thus, it is respectfully requested that the Commission allot Channel 277A to Wright City, Oklahoma as its first local broadcast service.

Respectfully submitted,
TEXARKANA BROADCASTING, INCORPORATED
